Tip of the Month

Russian JDN websites are now online: www.jdn.de.

JDN Sport Sponsoring

Mirko Englich is happy about his successful qualification for the Olympic Games in Beijing.

Due to traditional solidarity to "Wit-tens" sports clubs we have taken over the sponsorship of the wrestler Mirko Englich.

The Vice European Champion in the Greco-Roman style up to 96 kg has just qualified for the Olympic Games in Beijing.

CeMAT 2008

From 27th to 31st May the CeMAT, the leading trade fair for intralogistics, took place in Hanover.

Visitors from 38 countries of the world have been on our stand to inform about the latest trends

around the topic lifting with air. Thanks to all.

The winner of the Apple MacBook Air will be announced within the next newsletter.

Extension of the JDN High Rack Warehouse

Within a few days the shell of the extension was finished.

For optimising the processes in our High Rack Warehouse comprehensive modification works take place at the moment. In doing so we have invested in new software as well as new hardware.

With this actions we will expand our capacities and will reduce the delivery times to meet you as our customer even in the future.

If short delays in delivery should occur during this works we ask for some understanding.
